## **WTD-ULtraFPT20** **Fingerprint Time Attendance Terminal**

## MAIN FEATURES

- 2.4-inch LCD screen to display me, date, week, and attendance information
- Remotely adds fingerprints to the system
- TCP/IP communication
- 1:N mode accurate and fast fingerprint recognition (recognition duration < 1 s) • Max. 1000 users, Max. 1000 fingerprints, and Max. 100,000 events records
- Stand-alone operation (supports adding persons, cards, and fingerprints locally) • Downloads attendance reports by USB flash drive
- Up to 32 normal shifts, 32 man-hour shifts, and 32 attendance holiday schedules can be configured
- Supports 6 attendance status, including check in, check out, break in, break out, overtime in, overtime out
  - Generates reports automatically
- Supports multiple languages: English, Vietnamese, Brazilian Portuguese, Spanish, French, Italian, Arabic, and Thai
- Supports ISAPI protocol and ISUP 5.0 protocol

## SPECIFICATION

| System                     |                                    |
|----------------------------|------------------------------------|
| Opera on system            | Linux                              |
| Screen                     |                                    |
| Size                       | 2.4-inch                           |
| Type                       | LCD-TFT display screen             |
| Audio                      |                                    |
| Audio output               | 1 loudspeaker, 1 buzzer            |
| Network                    |                                    |
| Wired network              | TCP/IP, 10/100Mbps, self -adaptive |
| Interface                  |                                    |
| Network interface          | 1                                  |
| USB                        | 1                                  |
| Capacity                   |                                    |
| Card capacity              | 1000                               |
| Fingerprint capacity       | 1000                               |
| Event capacity             | 100,000                            |
| Authen ca on               |                                    |
| Card type                  | EM card                            |
| Card reading distance      | 0 to 3.5 cm                        |
| Fingerprint module         | Optical fingerprint module         |
| Fingerprint comparing mode | 1:1 and 1:N                        |
